

Presentation on the history of the Institute and the School of Mathematics

Submitted by admin on Mon, 02/04/2013 - 13:01

Christine Di Bella, Erica Mosner

Shelby White and Leon Levy Archives Center

Date & Time: Thu, 02/28/2013 - 15:00 - 17:00

Location: White-Levy Room

Rooms: White-Levy Room

Archives staff members will give a presentation on the history of the Institute and the School of Mathematics for members of the School of Math's special year on the Univalent Foundations of Mathematics. Following the presentation, group members will have the opportunity to view a selection of documents, photographs, and artifacts from the Institute's archival collections in the Archives Center.
