

# Holomorphic Curves Focus Group

Monday, May 23, 2005 (All day) - Saturday, June 18, 2005 (All day)  
(2004-2005)

## Holomorphic Curves Workshop

### IAS 2005

May 23 through June 18

This workshop is focused on holomorphic curve techniques in low-dimensional topology and symplectic and contact geometry. It is funded in part by an NSF Focused Research Grant administered through the [American Institute of Mathematics](#). Additional support comes from [Stanford University](#) and the [Institute for Advanced Studies](#).
