

Accommodations

Accommodations: All workshop attendees will be staying in one of two places.

- IAS housing, or
- [Amerisuites Hotel](#)

All accommodations will have kitchen units and high speed internet access.

Food: Continental Breakfast and Lunch may be purchased with cash in the IAS dinning room. The IAS will not be serving dinners during our workshop, so we are on our own for dinners. Guest accommodations contain kitchen units for those who would like to prepare their own dinners (or lunches and breakfasts).
