Some funds are available for travel and accommodation for students and young mathematicians attending the conference. To apply for support, send a statement with a description of interests and accomplishments as well as your CV to:

Michelle Huguenin (huguenin@ias.edu).

Institute for Advanced Study
School of Mathematics
Einstein Drive

Princeton, NJ 08540

In addition, ask that a letter of recommendation, by a mathematician who knows your research, be sent to the same address. Also, please indicate if you wish to share accommodations and a list will be compiled and sent to those interested in sharing.

Registration

REGISTRATION FOR THE MEALS IS REQUIRED. (Speakers do not need to register.)

REGISTRATION FOR THE CONFERENCE IS REQUIRED. (Speakers do not need to register.) [Click here to register.](#)

Although there is no registration fee, because **SEATING IS LIMITED BOTH IN THE CONFERENCE ROOM AND IN OUR DINING HALL**, you are requested to register if you wish to attend all or part of the conference. In addition, in order for our chef to prepare enough food, we need to have a headcount for the meals.

Please note the conference attendees are expected to pay for their lunch. Approximate range of prices is \$4 for a salad to \$9.00 for an entree. Vegetarian lunches will be available.

Transportation and Housing

Information regarding transportation and accommodations in the Princeton area can be found at

<http://www.expedia.com> by searching for hotels/motels in the Princeton area. Please note that if you are staying on Route 1 you should inquire whether the hotel has a shuttle service to local businesses in Princeton.

Local accomodations can be found at <http://www.princetonol.com>
