

# Geometric Representation Theory

Tuesday, September 1, 1998 (All day) - Wednesday, September 1, 1999 (All day)  
(1998-1999)

During the 1998-99 academic year, George Lusztig will be the School's Distinguished Visiting Professor and will lead a program in geometric methods in representation theory. We also expect that Hiraku Nakajima will be in residence for at least part of the year.
