

Univalent Foundations - How to Apply

1. To apply for Term I, Term II or full year membership at the institute go to <https://www.math.ias.edu/administration/how-to-apply>
In the application form please choose “Computer science and discrete mathematics” as the field of work (even if you are a homotopy-theorist!) and mention “Univalent Foundations” in the “Specific Field of Research” area.
2. To apply for a short term visit contact Vladimir Voevodsky at [vladimir @ ias . edu](mailto:vladimir@ias.edu)
